presents

EMERGENCY MEDICAL TECHICIAN - BASIC Fall Course

This course is intended to introduce individuals with little or no medical background to the disciplines of emergency medicine. The EMT-Basic course consists of approximately

- ✚ 165 hours of classroom lecture, discussion, lab
- ✚ 44 hours clinical hospital experience AND field/ambulance internship
- ✚ 12 hours of final practical and written testing

The course presents the theory and practice of basic medical assessment and pre-hospital medical interventions. Successful students will be qualified to take the National Registry of EMTs examination, the test required for Colorado EMT certification. Prerequisites apply: students must have professional rescuer BLS/CPR certification, high school diploma or equivalent, and be 18 years of age prior to National Registry testing. Criminal background check and medical screening is required for clinical and internship participation. Fingerprint-based criminal background check is required for State certification. Text and coursework requires a 12th grade level of competency in reading, writing, math and science.

COURSE DAYS and TIMES	Starts: August 27, 2007 Meets: Mondays, Wednesdays and every other Saturday 6:00PM to 9:00PM Classroom ends: December 8th Clinicals End: January 5 th , 2008 Final Course Testing: January 12 th , 2008 Student schedules NREMT test to meet his/her schedule
COURSE COST:	Tuition & fees \$1056.00 Out of State: Please call. This includes text, insurance for clinicals, lab fees, uniform shirt, and other fees. Additional fees are required for Background Checks & NREMT testing.
REGISTRATION:	Enrollment is limited. Pre-registration is required. Screening interview with staff for study, math and reading skills is required. Contact the EMS Program for more information.
